

Constructivist Universal Learning Handout

Workshop/session topic:.....

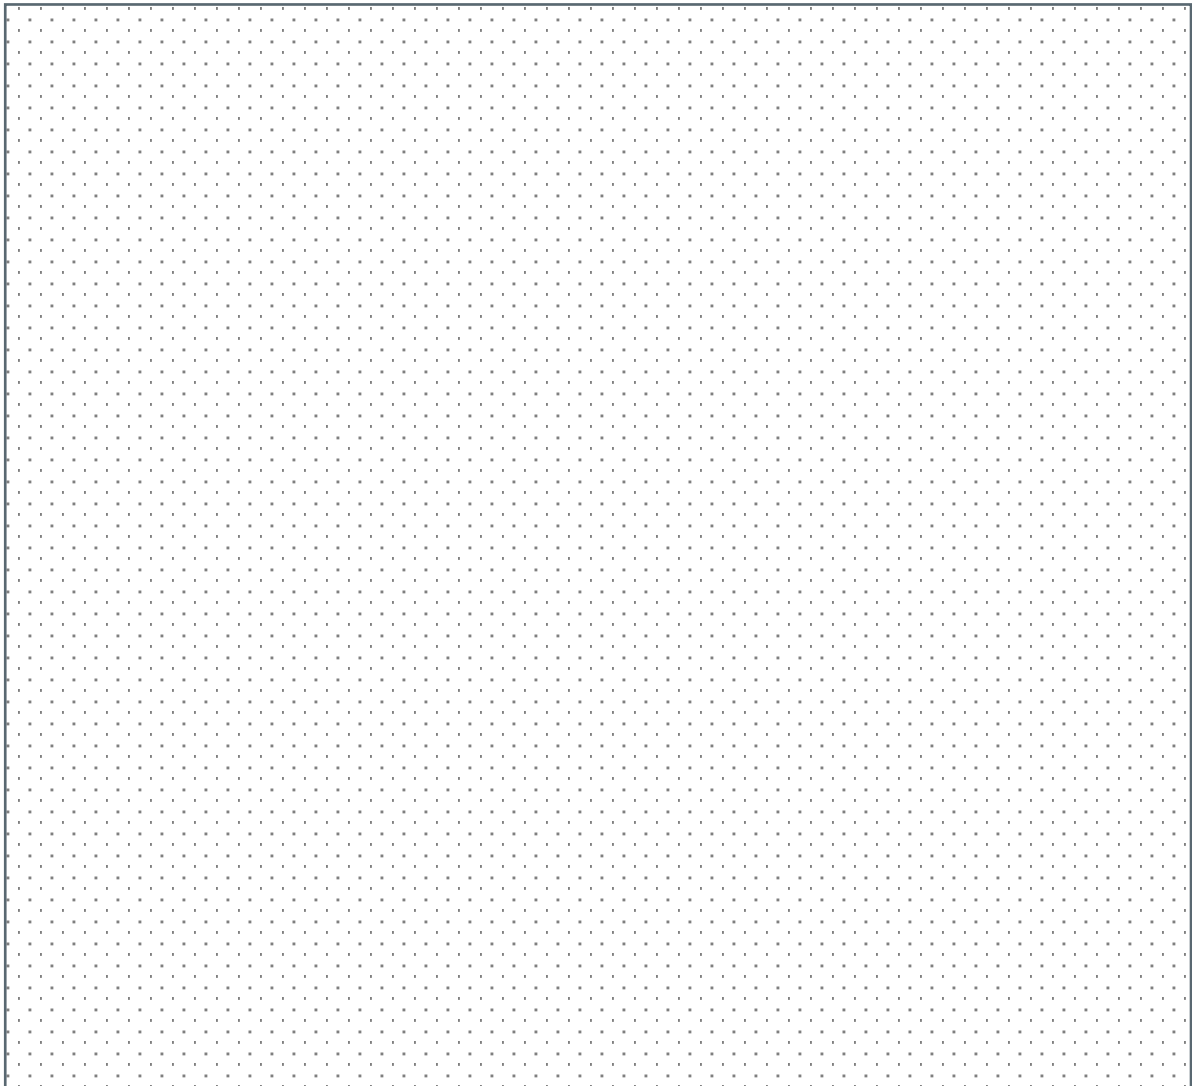

By the end of this workshop/session, you should be able to:

-
-

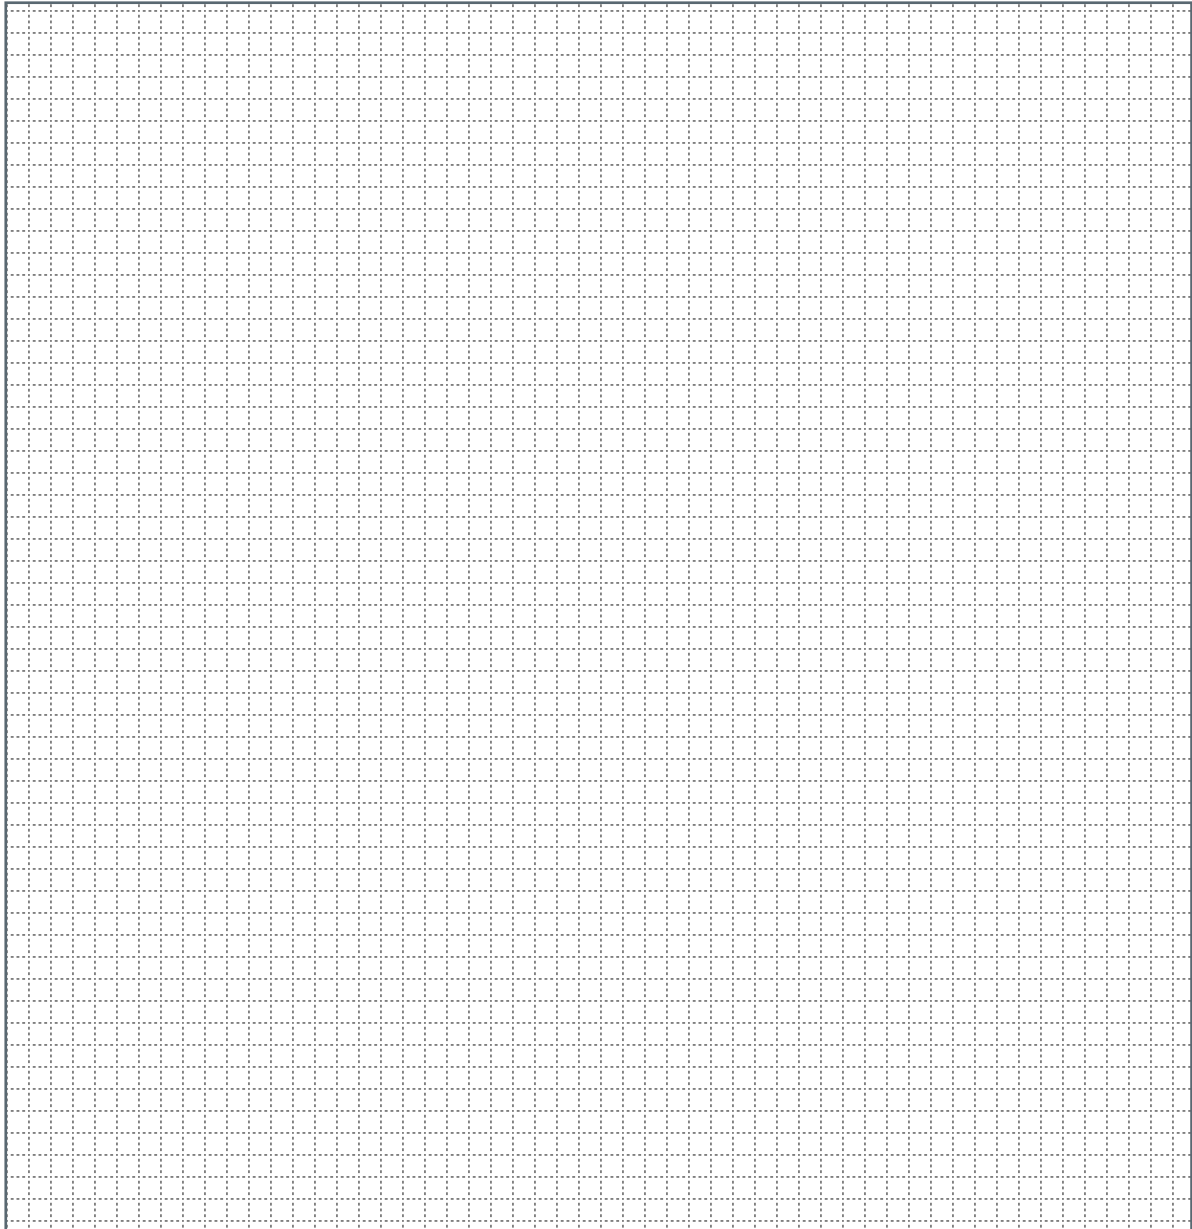

1. Start with where you are _____

What can you do already?	What do you want to be able to do?
--------------------------	------------------------------------

2. Introduction of theory _____

3. Application to practice

A large rectangular area filled with a grid of small, evenly spaced dotted lines, intended for students to write their responses to the 'Application to practice' section.

4. Reflection on practice

What happened when you applied theory to practice? What will you do differently from what you currently do? What questions do you still have?
